The DEFENDANT, Anderson Alberto SEVILLANO-PIRAQUENO, an alien to the United States and a citizen of Venezuela, illegally entered the United States from the Republic of Mexico on October 10, 2022, approximately .18 miles west of the Paso del Norte Port of Entry, in El Paso, Texas, in the Western District of Texas. A Border Patrol Agent determined the DEFENDANT had unlawfully entered the United States from Mexico, at a time and place other than as designated by the Secretary of the Department of Homeland Security of the United States.

After determining that the DEFENDANT was an alien who illegally entered the United States, the DEFENDANT was detained on an administrative immigration violation by United States Border Patrol Agents on October 10, 2022, arrested and transferred to the El Paso Sector Modular Central Processing Center for detention and processing using the E3/IDENT and IAFIS Systems. Due to the mass influx of immigrants in detention, the DEFENDANT was released into the United States.
